

# TORNADO CANINE VEST

Designed and developed using feedback and testing results from the HM Prison Service and UK Police Forces.

The TORNADO Canine Vest offers a robust and dynamic day to day working harness with the emphasis on protection. Its unique modular design means this system can be adapted to meet the modern threats that service canines may encounter during their varied deployments.

## MODEL - DC9000

### FEATURES OF THE TORNADO HARNESS

- Outlast® lining material uses phase change technology to continually regulate and maintain body temperature
- Black military spec Cordura® nylon outer harness
- Webbing grab handle
- Metal ISC quick release load bearing buckles as standard
