SIZE OPTIONS

The HURRICANE Canine Vest offers a robust and dynamic day to day working harness with the emphasis on protection. The complete safety harness design gives options for load rating. Its unique modular design means this system can be adapted to meet the modern threats that service canines may encounter during their varied deployments

Size of harness is based primarily on the weight of the dog:

- Medium - Up to 25kg
- Large - Between 25kg and 35kg
- XL - Over 35kg

Please contact us to discuss sizing and guidance on measuring
